Denise Bowden
CEO & Director of Garma
Yothu Yindi Foundation
PO Box 3234
DARWIN NT 0801

By email: Admin@yyf.com.au

Dear Denise,

On behalf of Dhimurru Aboriginal Corporation I am pleased to provide the Yothu Yindi Foundation with this official correspondence in support of the annual 2017 Garma event.

Our organisation has been an attendee of the Yothu Yindi Foundations event since its inception. Over the years we have watched the Garma Festival evolve to become one of the worlds premier opportunities to engage with Indigenous culture. Dhimurru values this annual opportunity to tell its story and to promote Yolngu culture and values to the broader community.

Please add our correspondence to your list of supporters as you pursue 2017 partners, sponsorship and funding avenues.

Garma is setting a standard of excellence and inspiration in terms of Indigenous led-management and unique programming. Dhimurru is looking forward to making its contribution to what is always a dynamic, new, fresh and exciting Garma coordinated through the Yothu Yindi Foundation platform each year.

Dhimurru believe that all Australian's can benefit positively from the wealth of knowledge engrained from within the Indigenous spectrum presented at the Garma. We look forward to joining the Yothu Yindi Foundation next year as they host their 19th annual Garma event in Arnhemland.

We whole heartedly recommend supporting YYF and their flagship Garma event.

Yours sincerely,

Steve Roeger
Executive Officer
