Dear Denise

On behalf of Gumatj Corporation Ltd. I am pleased to provide the Yothu Yindi Foundation with a letter supporting the annual 2017 Garma Festival.

Our company has supported Garma since inception and recognize that it offers a personal cultural experience where delegates from diverse organizations are able to engage, learn from each other and be immersed in the richness and strength of Yolngu culture.

Garma is an example of policy development to government, of sharing across a national Indigenous platform, best practice business development from a regional grass roots approach, and reconciliation in action.

Each year the Yothu Yindi Foundation delivers a professional and world class global event. We have been fortunate to witness the continuing growth and innovation of the Garma program scheduling and look forward to another inspiring, educating and entertaining four days come 4 – 7 August next year.

Our organization is a proud supporter of Garma. We look forward to joining other Yolngu clans on the traditional ceremonial meeting ground at the 19<sup>th</sup> annual Garma event hosted by the Yothu Yindi Foundation.

Yours sincerely

Klaus Helms  
Chief Executive Officer
