Dear Denise

On behalf of Laynhapuy Homelands Aboriginal Corporation I am pleased to provide the Yothu Yindi Foundation with a letter supporting the annual 2017 Garma Festival.

Laynhapuy Homelands Aboriginal Corporation has attended Garma for many years. Each year, we host a delegation of leaders connected to our organization that are engaged in developing government and industry policy or have an interest that impacts the Aboriginal and Torres Strait Islander community.

Garma offers a personal cultural experience where our delegates are able to engage, learn from each other and be immersed in the richness and strength of Yolngu culture.

We look to Garma as an example of policy development to government, of sharing across a national Indigenous platform, best practice business development from a regional grass roots approach, and reconciliation in action. Our past participants have expressed the profound effect it has had on their own corporate and personal journeys.

Each year the Yothu Yindi Foundation delivers a professional and world class global event. We have been fortunate to witness the continuing growth and innovation of the Garma program scheduling and look forward to another inspiring, educating and entertaining four days come 4 – 7 August next year.

Our organisation is a proud supporter of Garma. We look forward to joining the Yolngu clans on their traditional ceremonial meeting ground at the 19th annual Garma event hosted by the Yothu Yindi Foundation.

Yours sincerely

Yanaymul Mununggurr
Board Director
