

SPECIAL NOTICE – MISSION ESTATE CONCERT 2011

SEL and the Mission Estate Winery today announced that the 2011 Concert would be a fully licensed event.

The Napier Police have informed the Mission Estate Winery and Promoter SEL that pursuant to The Sale of Liquor Act 1989, they will oppose the granting of a special licence with any BYO content for the annual Concert.

SEL advises all patrons that the 2011 Mission Estate Concert will have dramatically increased bar sizes and numbers and staffing levels to accommodate our concert-goers' demands and that prices will be reasonable and affordable.

Further details of pre-purchase opportunities and bar arrangements will be announced in coming weeks.
