

Street Series Information & Invitation

28th Annual Street Series 2021

Information & Invitation to race

Cars:

- Must run treaded DOT tyres
- Must run full exhaust
- Must run full interior
- No after-market electronics with the exception of computers for EFI cars. Excluded items include line-locks, transbrakes, two steps, throttle stops, delay boxes etc.
-

Bikes:

- Must run 9.50 or slower.
- Bikes must be foot shifted.
- Extended swingarms and wheelie bars are not permitted.

Series Rules: All competitors will be permitted to run in one of the following Series and points earned in that series will not transfer to another series if the competitor chooses to change:

The four series to earn points will be:

New Skool Street Sedan Series: Open to all cars that have a factory compliance of no more than 25 years from commencement of year of series (ie. 2021 series is for 1996 and newer compliance vehicles). This 25 year benchmark will move every year to keep vehicles current

- Quick 9.00 – 12.99, (vehicles must quicker than 10.50 must comply with the IHRA Real Street rules and regulations)
- Hot Street 13.00 – 14.99, and
- Street 15.00 and slower.

Cars will earn points in each Bracket to form part of the New Skool Street Series. These brackets (Quick, Hot Street or Street) will be listed separately on the points table after each event. If you choose to change your bracket during the season, the points you have earned prior to that round will stay in the original bracket you had entered under, and this round points will be listed under the new contested bracket.

OldSkool Street Sedan Series: Open to all cars that have a factory compliance of more than 25 years from commencement of year of series (ie. 2021 series is for 1995 and older compliance vehicles). This 25-year benchmark will move every year to keep vehicles year models current

Street Powder Puff Series: Open to ladies only. Ladies who choose to run the Powder Puff Series are not permitted to run the same vehicle in the Street or Bike Series. A vehicle competing in Street Sedan or Street Bike series driven by another person may compete with a different lady driver in the Street Powder Puff Series.

Street Bike Series: Open to all bikes 9.50 and slower.

Please Note:

- Competitors must hold and produce a current IHRA licence to use a IHRA number
- New Skool Street Sedan will have Top 16 for the final
- Oldskool, Powder Puff and Street Bike will all have the Top eight for the final
- In the event of a tie on points in any position in the top eight or 5 in the New Skool bracket, qualifying positions will be determined by the better performer at the last contested round of the Series. The better performer will be the competitor who lasts the longest in their elimination rounds. If there is still a tie on points the better performer will be the competitor who performs best in relation to their dial-in on their last elimination run. If there is still a tie on points the better performer will be the competitor who has the better reaction time.
- If the final round is not run due to weather the tie breaks will be determined by the previous round completed of the series.

All competitors, even if running the same vehicle must have a separate Street Series number.

Those who don't have a current IHRA licence and race number will be given a special "Street Series" number. If you are not an IHRA member you will need to purchase an on day licence at the track at each event.

The series commences on 13th February 2021. Please check the website for further dates.

Championship Shootout:

New Skool –

- 16 car shootout
- The top 5 in Quick, Top 5 Hot Street and Top 5 Street will automatically be entered into the top 16. The next highest point scorer from all 3 brackets will then take 16th position

OldSkool –

- 8 car shootout
- The top 8 cars will automatically be entered into the shootout

Powder Puff –

- 8 car shootout
- The top 8 cars will automatically be entered into the shootout

Street Bike –

- 8 bike shootout
- The top 8 bikes will automatically be entered into the shootout

The top sixteen qualifiers of New Skool and the top eight qualifiers of Oldskool Street Sedan, Powder Puff and Bike Eliminator will be presented with a specially designed "Street Championship Qualifier" trophy.

We have allocated Prizemoney for the Street Series brackets, with \$1,000 to the winner and \$200 to the runner up. The bracket winners will become the Willowbank Street NewSkool Sedan Champion, Willowbank Street OldSkool Sedan Champion, Willowbank Street Bike Champion and Willowbank Powder Puff Champion for 2021 and will receive the same "Track Championship" Trophy as all our Track champions. Runner-up will receive their cheque on the night of the Shootout, and the winner trophies and cheques will be presented at Willowbank Raceway's Track Championship Presentation on the night. The winners will receive free entry to all Street Series events only and a Special pass which admits two people to all events at Willowbank Raceway for the following season.

Points for all brackets are earned on the basis of five points for each race that you win. As well, five bonus points are awarded for entering an event, provided you do at least one run in the eliminations. Points updates are available on our website site. www.willowbankraceway.com.au.

If you earned points in the 2020 Street Series, you do not need to notify us **unless you change the series you wish to earn points in or to change your number.** This needs to be done prior to you earning any points.

If you are new or are changing series, fill out the following details NOW and send it back to us. Remember that we must have your form before you can earn points. Forms handed in at an event will not earn points for that round.

Please read the updated Full rules & regulations which can be found by following the links on the Street Series page of the website.
