29th Annual Street Series 2022

Information & Invitation to race

Cars:

- Must run treaded DOT tyres
- Must run full exhaust
- Must run full interior
- No after-market electronics with the exception of computers for EFI cars. Excluded items include line-locks, transbrakes, two steps, throttle stops, delay boxes etc.
-

Bikes:

- Must run 9.50 or slower.
- Bikes must be foot shifted.
- Extended swingarms and wheelie bars are not permitted.

Series Rules: All competitors will be permitted to run in one of the following Series and points earned in that series will not transfer to another series if the competitor chooses to change:

The four series to earn points will be:

NewSkool Street Sedan Series: Open to all cars that have a factory compliance of no more than 25 years from commencement of year of series (i.e. 2022 series is for 1997 and newer compliance vehicles). This 25-year benchmark will move every year to keep vehicles current

The following 2 brackets will form the Newskool Series

- **HYPER STREET** 9.00 – 12.99, (vehicles quicker than 10.50 must comply with the IHRA Real Street rules and regulations)
- **FRESH STREET** 13.00 and slower.

Cars will earn points in each Bracket to form part of the NewSkool Street Series. These brackets (HYPER AND FRESH) will be listed separately on the points table after each event. If you choose to change your bracket during the season, the points you have earned prior to that round will stay in the original bracket you had entered under, and these round points will be listed under the new contested bracket.

OldSkool Street Sedan Series: Open to all cars that have a factory compliance of more than 25 years from commencement of year of series (ie. 2022 series is for 1996 and older compliance vehicles). This 25-year benchmark will move every year to keep vehicles year models current.

The following 2 brackets will form the Oldskool Series

- **RADICAL STREET** 10.50 – 13.99, (vehicles quicker than 10.50 must comply with the IHRA rules and regulations)
- **RETRO STREET** 14.00 and slower.

Cars will earn points in each Bracket to form part of the OldSkool Street Series. These brackets (RADICAL AND RETRO) will be listed separately on the points table after each event. If you choose to change your bracket during the season, the points you have earned prior to that round will stay in the original bracket you had entered under, and these round points will be listed under the new contested bracket.

Street Powder Puff Series: Open to ladies only. Ladies who choose to run the Powder Puff Series are not permitted to run the same vehicle in the Street or Bike Series. A vehicle competing in Street Sedan or Street Bike series driven by another person may compete with a different lady driver in the Street Powder Puff Series. Vehicles must fit within all rules and regulations

Street Bike Series: Open to all street bikes 9.50 and slower.

Please Note:

- Competitors must hold and produce a current Street Series Registration card to be eligible to earn points
- NewSkool and Oldskool Street will have Top 16 for the final
- Powder Puff and Street Bike will have the Top eight for the final
- In the event of a tie, on points, in any position in the top sixteen or eight in the a bracket, qualifying positions will be determined by the better performer at the last contested round of the Series. The better performer will be the competitor who lasts the longest in their elimination rounds. If there is still a tie on points the better performer will be the competitor who performs best in relation to their dial-in on their last elimination run. If there is still a tie on points the better performer will be the competitor who has the better reaction time.

- If the final round is not run due to weather the tie breaks will be determined by the previous round completed of the series.

All competitors, even if running the same vehicle must have a separate Street Series Registration number.

All competitors including current IHRA licence holders will be given a special "Street Series" number.

The series commences on 5th February 2022. Please check the website for further dates.

We have allocated Prizemoney for the Street Series brackets, with \$1,000 to the winner and \$200 to the runner up. The bracket winners will become the Willowbank NewSkool Street Champion, Willowbank OldSkool Street Champion, Willowbank street Bike Champion and Willowbank Powder Puff Champion for 2022 and will receive the same "Track Championship" Trophy as all our Track champions. Runner-up will receive their prizemoney form on the night of the Shootout, and the winner trophies and cheques will be presented at Willowbank Raceway's Track Championship Presentation night. The winners will receive free entry to all Street Series events only and a Special pass which

admits two people to all drag racing events at Willowbank Raceway for the following season.

Series Points

Points for all brackets are earned on the basis of five points for each race that you win. As well, five bonus points are awarded for entering an event, provided you do at least one run in the eliminations. Points updates are available on our website site. www.willowbankraceway.com.au.

You must be registered to earn points in the series. Once you register to earn points for 2022 you will receive a hard card with your name and Street Series number on it. This is the number you have to use for the season. Please ensure you put this number in under IHRA race number when you enter online. You will need to present this hard card to scrutineering on the day.

If you earned points in the 2021 Street Series, you do not need to notify us **unless you change the series you wish to earn points in or to change your number.** This needs to be done prior to you earning any points.

If you are new or are changing series, fill out the following details NOW and send it back to us. Remember that we must have your form before you can earn points. Forms handed in at an event will not earn points for that round.

Please read the updated Full rules & regulations which can be found by following the links on the Street Series page of the website.
